Jim Jackson

"Jim Jackson, brave lone explorer, goes to a jungle, a desert and a polar island. But he does get a little scared, too. What will he do?"

Hi, my name is Jim Jackson,
brave lone explorer.

This morning,
I explored a jungle!

The jungle was warm and rainy.
It was very green!

It was exciting to explore a jungle,
but it was a bit scary.

I wish I had someone with me.

After the jungle,
I explored a desert.

The desert was hot and dry.
It was very dusty!

It was exciting to explore a desert,
but it was a bit scary.

I wish I had someone with me.

After the desert,
I explored
a polar island.

I think I am
the first explorer
to come here.

The polar island was icy and wet.
It was very cold.

It was exciting to explore the island,
but it was a bit scary, too.

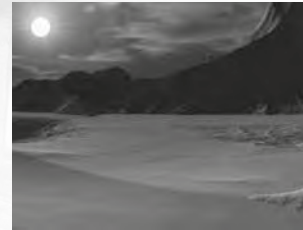

I wish I had someone with me.

Next time I go exploring, I'm going to ask my sister Jen to come along.

I think a story about Jim and Jen Jackson, brave *twin* explorers, will be fun to write!
